

Hondo Tackles Bastrop to win Eleven For Championship topics

Regional Champion Title To Be At Stake

Hondo's Bi-District Champions head for Bastrop tonight, to try their luck at a tough Bear eleven for Regional Championship honors. Game time is 8 p.m.

Bastrop dropped a tough East Bernard team last Friday night at Columbus by a score of 14-6. Hondo took a 34-19 win from Blanco.

One big difference in Bastrop's team is credited to 170 pound Charlie Perkins, who scored both Bear touchdowns last week. He is also their extra point specialist.

Winning ten of their last 11 games, the Bears have beaten Patonia, Lexington, LaGrange, Luling, Thorndale, Granger, Rogers, Thrall, Smithville and East Bernard. Their lone defeat was at the hands of Giddings. They have scored 311 points to their opponent's 78, while Hondo has 35 to 89 for the season.

Hondo has won eleven games in as many starts this season. Their victories have been over Nixon, Del Rio, Sabin, Uvalde, Floresville, Devine, Cotulla, Carrizo Springs, Pearsall, Dilley and Blanco.

Bastrop has a fast backfield and claim two of the best backs in the state—Perkins and Bobby Dean Jones, 155 pound left half back. They run from a double wing and feature a lot of reverses.

The Owls, who made a slow start at Barry Field last Friday night, have been working on offense for the double wing attack. Some grand-stand coaches say the Owls are ready and some say they need more practice before tangling with the tough Bears.

Eight games will be played in the Industrial Gas Rates To Be Hiked

Industrial and large commercial customers will find a natural hike awaiting them on their member bill.

The rate hike, which affects industrial and large commercial customers only, will be effective Dec. 27. There has been no increase in rates since 1948, according to J. K. Hamby, United Gas manager. The rate hike will affect domestic or small business houses.

Commercial customers affected will be Universal Rundle Corp., Texas Aviation Industries, Hondo Independent School District, The Favorite Cafe, Modern Cleaners and Men's Wear, Blue Sunset Cleaners and Sunshine Cleaners.

United Gas has absorbed increases in salaries and equipment purchases since 1948, Hamby said.

Fasel, Mrs. Leola Fasel, Milton Fohn, Mrs. Mary Fohn and George Heiligman. Mrs. Harrison Wilson, Civil Defense director for Yancey, made arrangements for the course and secured a San Antonio instructor.

B&PW Needs Packages For Families

The Business and Professional Women's Club still needs Christmas packages for their Empty Nocking Fund.

Mary Ruth Cameron, chairman of the B&PW committee, says she cannot supply anyone with names—the club is trying to help parents provide Christmas for their children.

Used clothing should be wrapped for Christmas and the age placed on it. Perishable articles can be refrigerated by the club.

Class A Regional Championship games this week. They match Stinnett and Farwell, Merkel and Sonora, Eastland and Henrietta, Wilmer - Hutchins and Linden, Gaston and Mart, Groverton and Humble, Bastrop and Hondo and Hallettsville and Bishop. Hondo will meet the winner of the Hallettsville and Bishop game next week in quarter final play should they happen to beat Bastrop tonight.

Bastrop Stadium will seat 4,800 persons.

Sheriff Inspects Accident

The Medina County Sheriff's Department investigated three city accidents in Hondo last week.

The first accident, which caused an estimated \$45 damages, was at 4:15 p. m. Nov. 24, on Ave. K, between 16th and 17th Sts. A 1954 Ford, owned by Lee Dell Williams, received \$40 damages when a 1950 Buick, driven by Mrs. Mildred C. Mumme, 46, backed out of an alley and across the street, striking the parked vehicle. The left rear fender collided with the right side of the rear bumper and caused an estimated \$5 damage to Mrs. Mumme's car.

Another accident, the same day, occurred at the intersection of 18th St. and Ave. N. A 1954 Chevrolet pickup, driven by Jack Dowdy, 32, and owned by Southwestern Bell Telephone Co., was rammed from behind by a Mercury driven by Guadalupe V. Garcia, 24. Dowdy was stopped, preparing to make a left turn, according to the sheriff's office.

The other accident, Nov. 26, at 10 a. m., was on 18th St. A 1948 Chevrolet one and one-half ton stake truck and a 1954 Oldsmobile were both parked at the time of the accident. The truck rolled back, colliding with the front part of the car hood, causing \$20 damages. There was no damage to the truck. Driver of the car was Robert George Chamberlain, 31, San Antonio, and the driver of the truck was Manuel Barrientes, 51 year old Hondo resident.

Deer Hunter Loses Faith In Himself

It bears repeating. Bob Curbello of Freeport, has been deer hunting in this area for the past two weeks with no results.

Since last Thursday, he has been buying a copy of the Anvil Herald each morning to take back to camp. He glanced at the headlines Wednesday and began to feel sorry for himself. He was overheard when he voiced chagrin that this was the second time over a hundred deer had been killed in Medina County and he hadn't been able to get a shot at one. He must have sounded off in camp too, because his wife, Edna, told him he had been bringing the same paper to camp every morning for the past week.

Bob knows now that the Anvil Herald is a weekly paper.

Allen Kempf Completes State School

NATALIA — Allen A. Kempf, son of Mr. and Mrs. John L. Kempf completed his training with the State Highway Patrol. He was in the graduating class in their exercises held Friday, Nov. 23, at 3 p. m., in the Highway Department Building Auditorium on Highway 81 in North Austin. He has not been told where he will be assigned as yet, according to his last letter home, but he did give out with the fact that his grades have been very satisfactory, and he feels sure he is going to be very happy with the work.

Allen's Dad is himself a retired peace officer, having served 20 years with the Los Angeles, Calif. Police Department, and several years with the local Sheriff's Department.

KENNETH Bendele, a 1956 graduate of Castroville school, has received his Lone Star Farmer Degree for 1955-56. This degree is the highest honor given by the Texas Association of Future Farmers of America. He is now attending a business college in San Antonio.

Old Friends Together Once Again

In measuring friendship, the shortest distance between the friends turned out to be 37 years when Milton H. Voss of Little Rock, Arkansas, visited his World War I buddy, Dr. O. B. Taylor in Hondo Monday afternoon.

Both men served in Field Hospital Company 359, 90th Division in France and in the army occupation. They were discharged together on June 19, 1919, and this was their first visit together since that day.

Other men who served with Voss and Taylor were Henry Langfeld, Alex Wendland, Mimke Wiemers and Philip Karrer. Because of other activities, they were not all able to get together although they were all able to visit by telephone.

LaCoste VFW Gives Party For Veterans

Members of LaCoste VFW Post 8134 presented gifts to veterans confined at the state hospital Nov. 3.

Forty-six veterans participated in a bingo game while gifts were distributed to an additional 23 bed patients. Cigarettes, ice cream, candy and chewing gum were distributed to all veterans.

Mrs. Edith Bauerlein, hospital chairman of the post's Ladies Auxiliary, passed out cakes and cookies baked by ladies of the Auxiliary. Marvin Franger, Harold Balmos and Charles R. Bauerlein distributed other gifts.

To complete this year's Veterans' Day program, flags were placed on all veterans' graves. The LaCoste post also presented Our Lady of Grace School at LaCoste, an American Flag. Post Commander Marion Keller and Franger made the presentation on behalf of the post. They also instructed pupils in the proper way to raise, lower and fold the symbol of the United States.

A booklet, "Etiquette of the Stars and Stripes", was also distributed to pupils in upper grades in both the public and parochial schools at LaCoste.

DOG LEARNS NEW THINGS EVERY DAY

Buttons, a white Spitz dog owned by Mr. and Mrs. Albert Rowlett, found himself in a world of new enemies last Wednesday night.

Mrs. Rowlett was home alone when Buttons began to bark and whine on the front porch. Thinking nothing about it for a while, Mrs. Rowlett went on about her business until finally she let the 15 months old dog in the house. This did not cure his illness and he kept barking and whining.

After turning on the porch light, Mrs. Rowlett found the trouble — a five foot one inch rattlesnake with 15 rattlers and one button. The dog, which the Rowletts got while in Germany, had never seen a snake before.

Mrs. Rowlett hollered out of a liams, who disposed of the snake with a .22 cal. rifle.

Freight Rates Revised

Revised routines are in effect in the execution of freight rate certificates entitling eligible applicants to reduce freight rates under Interstate Commerce Commission Drought Orders, the FHA has been informed.

These orders provide in part that the class of persons entitled to reduced rates are those designated as being in distress and in need of relief by the United States Department of Agriculture or by such State agents as designated by the Department. The Secretary of Agriculture has authorized Governors of all of the drought stricken states to designate persons entitled to reduced freight rates. Effective Nov. 15, 1956, Governor Shivers re-designated to all county judges in designated drought counties in Texas the authority to execute certificates.

"Heretofore, Farmers Home Administration County Supervisors were authorized to execute certificates and only stockmen who were eligible for emergency feed could obtain the certificates. This revised authorization will extend the benefits of reduced freight rates to all stockmen in designated counties." Walter McKay, FHA State Director, said.

Hondo FFA Has Program At Meeting

Hondo FFA boys, under the direction of John McAnelly, presented a program based on parliamentary procedure at the November meeting of the Hondo High School Parent-Teachers Association. The meeting was held in the high school cafeteria Nov. 3.

The boys were divided into two groups, each group having several problems in parliamentary procedure to solve. Their comments were both informative and interesting. Richard Corder rendered two saxophone solos. He was accompanied on the piano by Mrs. Robert Fasel. Mrs. Charles Tondre, program chairman, read a prayer taken from the Parent-teacher magazine.

During the business session, which followed the program, the association voted to sponsor a Mexican supper in January. Proceeds are to be used for buying additional stage furniture and film strips. Room mothers will take charge of the high school Christmas party. Mrs. L. E. Kollman Jr., is chairman.

The freshman class won the money given for having the most parents present.

Deadline Nears For Christmas Mailing

Christmas Mailing

Surfaced parcels for Christmas destined for Armed Forces overseas, should be mailed very soon, the earlier the better says Postmaster Harry Fillemann.

By "surface" parcel is meant any parcel weighing more than two pounds. Such parcels cannot be forwarded by air under the postal regulations and travel by ship is necessarily much slower.

Also "Armed Forces" includes the personnel of our Armed Forces, members of their families, and authorized United States civilians employed overseas, who receive their mail through Navy, APO, or Fleet Post Office. The APO offices are located at New York, San Francisco, New Orleans and Seattle. Fleet Post Offices at New York and San Francisco, and the Navy Post Office is at Seattle.

This is necessary, Fillemann explained, because of available ship schedules from the port of dispatch, as well as possible delays due to bad weather frequently encountered at this time of year.

Fillemann urged postal patrons to send holiday surface mails for Alaska and Hawaii according to the following schedules: residents of the Eastern and Central time zones, not later than Dec. 1, 1956; Mountain time zone, not later than Dec. 3, 1956; Pacific time zone, not later than Dec. 4, 1956. Mail for Puerto Rico should be time, sealed parcels may be mailed by Dec. 3, 1956.

Gene Motley, Dallas, has a beef about Medina County—he says Doe Season will hurt Medina County. Motley says he has been hunting here for the past 16 years and spends at least \$600 on food, shells and other items in the county. He said he believes Doe Season will cost Medina County \$50,000 because many hunters will not come back. Motley, who hunts in the north part of the county, also believes killing doe will lower the number of deer and many hunters will not return, causing hunting money to be spent elsewhere. He also buys his license here.

The Anvil Herald thought they had the biggest deer killed for the year Monday when James Tschirhart brought in a seven point 118 pound dressed weight buck. Then, Milton Balzen, Dunlay, sent word that he had a 120 pound dressed buck. He didn't say how many points it had, though. Other deer kills have been by Lillian Moehring, Chickie Tschirhart, Douglas Haass and Sam Lanham.

At Chamber Banquet

Bobbitt To Speak

Judge Robert Lee Bobbitt, San Antonio, will be the main speaker at the Chamber of Commerce banquet set for Monday night at 7:30 in the Hondo Air Base Officers' Club. Officers and directors will be named during the banquet.

Bobbitt was born and reared in Hillsboro and received his education at Carlisle Military Academy, North Texas State College and the University of Texas. He first began practicing law in Laredo and has served in all three branches of government—Legislative, Executive and Judicial.

After being elected a member of the 38th Texas Legislature in 1922, he was reelected to the 39th and 40th sessions and unanimously elected Speaker of the 40th Legislature.

He has served as district attorney, 49th Judicial District and while in that position, was appointed Attorney General of Texas by Gov. Dan Moody. He resigned that position in 1931, to become chairman of the Board of Directors, Texas College of

Arts and Industries at Kingsville until 1935. Bobbitt resigned that position when appointed Justice of the San Antonio Court of Civil Appeals. He was reelected to membership on this court in 1936.

When asked by Gov. James V. Allred to become chairman of the Texas State Highway Commission in 1937, he resigned from the Court of Civil Appeals and stayed with the commission until 1943. He served as president of the Laredo Chamber of Commerce and District Governor of the Rotary Clubs of South Texas.

Bobbitt was appointed chairman of the special Tidelands Committee of the State Bar of Texas in 1947, serving until 1953, when Congress passed, the President approved and the Supreme

Court held valid, the Congressional Act vesting title in Texas to her tidelands.

Lifelong Democrat and active in party affairs, he was temporary chairman and keynote speaker of the Texas State Convention in Galveston in 1934, and was Presidential Elector from Texas in 1944. He is an Elder of the First Presbyterian Church, San Antonio and is now a senior member of a San Antonio law firm.

He is married to Belle Westbrook and has one son, Robert Jr., who is a member of the law firm.

Judge Rothe, Court Attend Convention

County Judge Arthur Rothe and the Commissioners Court attended the convention held in San Antonio last week. County Judges and commissioners from all over Texas gathered for the four-day meeting.

One topic discussed during the meetings — a hike in automobile license fees — would add about \$30,000 to Medina County funds, Judge Rothe said. The group called on the Texas Legislature to hike car license by one third and give the extra funds to counties for buying right-of-way for primary and secondary roads.

The group also called on the legislature to levy a "fair and equitable highway use tax on commercial motor vehicles hauling for profit or hire on Texas highways," according to a San Antonio newspaper.

Hondo FFA Will Make State Tape

The Vocational Agriculture Department received a letter this week that caused it to feel that being almost best is not too bad. A letter was received from the State Department of Vocational Agriculture asking that the Hondo Senior Chapter Conducting Team, that placed second in that Area Contest at San Marcos, make a tape recording of a typical parliamentary problem and mail it to the State Office. This tape is to be reproduced and used by other schools in training Chapter Conducting Teams for future Leadership Contest.

Several Vocational Agriculture teachers over the state have requested that a tape recording of this type be made available for their use in the future.

TELEPHONE TALK

by Winston Rozelle, Manager

King-Size Telephones

Imagine your surprise if the telephone set in your home or office actually grew in size every time another telephone was added to the number you can reach with a local call!

Naturally this doesn't happen, but I brought it up to point out how much your telephone service really has grown in value in recent years.

Today you can reach more people by telephone—your friends, neighbors, and the shops and stores around town—than you have ever been able to before. This means you can run more errands, do more things by telephone.

To me, that adds up to your telephone service being a bigger value today than ever before. And I think you'll agree that it will be an even bigger value tomorrow as we continue to put more and more telephones in service in Hondo.

Go Home by Telephone

Thanksgiving, a real "family holiday weekend" is here now. And I guess we'd all like to be home to share the turkey, trimmings, and just plain "get-together" talk.

For some of us, however, it's impossible to be there in person. But you can still be a part of the family's Thanksgiving with a Long Distance call home.

Why not plan now to make a call and be part of the family group? The cost is low, even lower if you call Station-to-Station. And remember to call by number—it's twice as fast.

See You Next Year

No, I'm not going on a two-month vacation, but this is the last time until early 1957 that I'll be chatting with you in Telephone Talk.

This column has been running in the newspaper for about a year now. I've enjoyed talking with you this way, and I hope you've enjoyed reading about what we're doing in the telephone business. Watch for Telephone Talk again next year. Meanwhile, here's hoping you enjoy that Thanksgiving turkey and have a happy Christmas season.

Call by number. It's twice as fast.

From where I sit... by Joe Marsh

The Kid's Learned to "Take Charge"

I was down at Buck Benson's store the other day when a fellow came in with a six-year-old boy—obviously his son.

While the fellow was looking over some stuff on the counter, Buck handed a free peppermint stick to the boy, who promptly tore off the wrapper and went to work on it.

The father seemed quite put out about his son's lack of manners and held up his hand to stop him. "What do we say when Mr. Benson gives us something?" he demanded. "Charge it," replied

the kid without hesitation. From where I sit, children aren't the only ones who "repeat things" without knowing what they're talking about. For instance, I'm convinced that many of those who speak out against the old American custom of enjoying a glass of beer after work are just parroting what they've heard others say. It's better to get the facts—then make up our own minds—and permit our neighbors to do the same.

Insurance Cut Out For Servicemen

Effective Jan. 1, 1957, the usual \$10,000 free insurance for American servicemen will no longer be in existence.

Although first glance shows no compensation to offset this, Public Law 881 provides for across the board increases in payments to include additional Social Security payments not found in the old provisions.

Under this new law, widows of all commissioned officers receive \$112 monthly plus 12 percent of the officer's base pay.

For example: the widow of a second lieutenant with less than two years active duty would receive \$139 per month.

The scale is graduated directly with the number of years of active duty. The more time spent in the service, the more money paid per month.

Enlisted men with less than two years active duty also get the \$112 per month plus 12 percent of base pay for their survivors. This totals to \$122 per month for less than two years active duty.

PERSONAL APPEARANCE

By Jerry June Berger

Citizens of other states seem to have difficulty understanding why we Texans do so much boasting about our native land. What they can't realize is that, actually, we're not bragging about the place but merely relating some of the actual facts about the state.

And likewise, it is difficult for us to understand why folks from other states don't try to tell us about their own locales.

It seems natives of the other 47 states have so little to be thankful for that they only celebrate one Thanksgiving. Imagine that ---

PA

PEGGY MECHLER, a student nurse at Seton Hospital in Austin, found a way to get in some extra holidays for herself. Last week at the hospital her throat began to swell and after three days of duty with this annoyance somebody around the place diagnosed it as mumps and sent her home to Hondo where she has been recuperating. She intends to get back to Austin and see the Turkey Day game.

PA

The HUEY CRAIG family could talk turkey again as of Friday morning.

A story in last week's Anvil Herald told of their gobbler and two turkey hens flying the coop. Confident the owners would let their loss be known right here at Thanksgiving time, HORACE SCHWEERS took one gander at the gobbler and hens wandering around his yard, penned them up and waited for word of their rightful masters. He saw the item in the paper and quicker than you can say etao in shrdu, phoned the CRAIGS and gave them the good word.

PA

CANDY WILLIAMS, third-grade daughter of the L. D. WILLIAMS, pulled a jaw tooth at school one day last week. We asked her how she happened to do it and she commented, "Well, I hate for Daddy to pull my teeth, so this time I played it real smart—didn't even tell him it was loose, and just waited till I could get it out myself."

We'd say a girl who did that ought to get at least a 50 cent piece from the tooth fairy who visits snaggle-toothed kids.

PA

To those who have a subscription, take consolation from

the following clipping handed us by a friend who says he never expects to be without his county paper ---

"A man, too stingy to subscribe to his hometown paper, sent his little boy to borrow a copy from his neighbor. In haste, the boy ran over a stand of bees and, in 10 minutes, he looked like a warty summer squash. His father ran to his assistance and, failing to notice the barbed wire fence, ran into that, ruining a \$9 pair of pants.

The old cow took advantage of the gap in the fence, got in the cornfield and killed herself eating green corn. Hearing the commotion, his wife ran out, upset a four gallon churn of cream into a basket of little chickens, drowning the entire batch. In her haste, she dropped a \$85 set of false teeth.

The baby, being left alone, crawled through the cream into the parlor, ruining a brand new \$50 carpet. During the excitement, the oldest daughter eloped with the hired man, the dog broke up 11 setting hens and the calves got out and chewed the tails off four fine shirts on the clothes line.

Moral: Don't borrow your neighbor's paper; "it's too risky." Send in your subscription at once to The Hondo Anvil Herald.

**For '57 Styled long and low
—with lots of GO!**

(Try the instant response of Buick's New Dynaflow*)

We'll admit it quite frankly.

"New" is a word that's used a lot. But seldom has it meant so much that's fresh and different and better-than-before—as here in the newest Buick yet.

Take the new styling, because that's obvious at a glance. To get it so sweepingly low, the engineers started from the bottom, with a brand-new type of chassis.

It's an ingenious "nested" chassis that reduced car height as much as 3.4 inches, giving new lowness and raciness—without reducing road clearance or room.

It's a massive I-beam, X-frame chassis that's stronger and sturdier—and permits a new low center of gravity for far surer, far safer roadability.

That's the picture on style, beauty and brawn in every '57 Buick.

But no such picture can give you the feel of this new instant go.

Only when you take the wheel can you appreciate the new era of motor-ing pleasure and ease and safety brought about by Buick's new power-pitch response.

It's instant response—response set off by the hair-trigger action of a new

364-cubic-inch engine and the full-range flexibility of a new Variable Pitch Dynaflow.

It's response so eager, this Buick seems to anticipate your every command. Power flashes to the rear wheels so quickly and smoothly in "Drive," that the need for "Low" has virtually been eliminated. Even Dynaflow's famous switch of the pitch is seldom needed.

Come try it. Come see and feel the tremendous difference the newest Buick yet can make in your driving enjoyment.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Powder Puff Bowl Game Warhorse stadium is the location of the Powder Puff Bowl where the big and powerful Senior girls will try to match wits with the speedy and tricky Junior girls Dec. 13 at 7:30.

The girls will wear regular football equipment. Coaches will be Mrs. Pringle, Mrs. Martin, Mr. Petri and Mr. Ciavarras.

All benefits go to the Warhorse Band to pay the remaining debt of \$2,400 that it owes on the new uniforms.

Services were held at 3:30 p. m. Tuesday at Hurley Funeral Home. He is survived by his wife, Mrs. Jean Teel Webb.

The sixth grade held class meeting Nov. 21.

First, we voted for the most popular boy and girl. Results, Concha Lascano (girl), and Ray Koch (boy).

Beverly Nester moved that we go on drawing names for Christmas gifts. Names were drawn and everyone got one except the two pupils who were absent.

Officers elected were: president, Sylvia Green; vice-president, Peggy Ricks; secretary, Betty J. Chapman; sergeant-at-arms, Doris Elaine Saathoff; librarian, Dorothy Alice Horecka; reporter, Beverly Nester; entertainment committee, Dorothy Horecka, Marcella Gill and Jackie Thornton.

The fifth grade drew names for Christmas gifts as the teachers thought each child might want to do their Christmas shopping early this year. We also decided what we would make the room-

Banquet Will Honor Castroville Wildcats

A banquet honoring the Castroville Wildcats is being planned for Dec. 6.

Boys and girls basketball teams will play Natalia at Natalia on Tuesday, Nov. 27, and Thursday, Nov. 29, Lytle at Lytle.

The girls are invited to a tournament at Natalia Dec. 5, 6, 7 and 8. The boys are invited to Medina on Dec. 7 and 8.

Sixth Grade

At the beginning of the first Thanksgiving of 1956, the sixth grade class of the elementary school of Castroville started a Thanksgiving table. On the table, green paper was placed. A log cabin and a table was built. On the table, tiny dishes were set.

Horses, cows, pigs, sheep and chickens were placed in the scene. Each child made a set of pilgrims and placed them around the scene.

We also made a Thanksgiving basket. The fortunate brought food and clothing for the less fortunate.

Wurzbach-Keller Nuptials Read In St. Louis Church

Miss Velma Marie Wurzbach became the bride of Harold Gregory Keller in a double ring ceremony held last Sunday morning, Nov. 25, 1956, at the St. Louis Catholic Church, Castroville. Rev. Leo Goertz officiated.

The bride is the daughter of Mr. and Mrs. August J. Wurzbach and the groom is the son of Mr. and Mrs. Frank J. Keller, Castroville.

The church was decorated with large baskets of white gladioli and mums with fern. Hymns were rendered by members of the St. Louis Choir, accompanied by Mrs. R. L. Tschirhart at the organ.

Given in marriage by her father, the bride wore an imported chantilly type lace and tulle over satin gown. The molded lace bodice, styled with a sweetheart neckline, was embroidered with seed pearls and sequins. The long lace sleeves ended in pointed cuffs and the bouffant lace skirt, with side front panels of accordion pleated nylon tulle, extended into a chapel-length train. Her fingertip illusion veil, bordered with chantilly lace, cascaded from a queen's crown of seed pearls and sequins. She carried a crescent shaped bouquet of white feather carnations and satin ribbon.

Miss Marlene Leibold, cousin of the bride, was maid of honor. Bridesmaids were Miss Patsy Keller, sister of the groom and Misses Fanny Lea Wurzbach and Connie Koehler. Mildred Wurzbach was her sister's junior bridesmaid. Flower girls were Carol Kempf, Jonelle Wurzbach, sister of the bride, and Elizabeth Hoffman.

Lynroe Tschirhart was best man and groomsmen were Emmett Keller, Freddy Wernette and William Tschirhart. Ring-bearer was Carl Keller. Harley Haegelin and John Biediger served as ushers.

Mother of the bride chose a wine satin back faille dress with black accessories and a corsage of wine mums while the groom's mother chose a black crepe dress with pink accessories and a corsage of pink carnations.

A reception, immediately following the nuptial mass, was held at Koenig Park. Approximately 500 guests attended. The bride's table was covered with white damask tablecloths, centered with white mums and bridal place cards. Mesdames Harry Haby, James Gussen, Norma Wernette, John Hoffman and R. J. Hoffman served over the bride's table.

The four-tiered wedding cake, topped with a miniature bride and groom, was served by the bridesmaids.

For going away, the bride

chose a gray suit with a white hat and black accessories. She wore a corsage of pink carnations.

After a week-long wedding trip to Hot Springs, Ark., the couple will make their home in Castroville until the latter part of March, when they will leave for Florida where Mr. Keller will resume spring training affiliated with the Cleveland Indians. At present, the bride is employed at the Anvil Herald and the groom is a truck driver. Both are graduates of St. Louis High School.

Stork Shower Held Nov. 20

Mrs. M. H. Lutz and Mrs. S. D. Bassett entertained Mrs. Luther McCartney with a stork shower Tuesday, Nov. 20.

The green covered table had a centerpiece of a cake in the form of a baby pillow, backed by a mound of yellow chrysanthemums. The table was also decorated with small bouquets of yellow chrysanthemums in baby bottles, and folded diapers hanging from the edge. Gifts were presented in a yellow-covered basket. After gifts were opened, games were played.

Prizes were won by Mrs. Luther McCartney, Mrs. Roy Carter, Jr., Mrs. Hobby Schuchle and Mrs. C. T. Woods. Refreshments of cake and coffee were served.

Mrs. Ham Honored With Tea

Mrs. E. G. Pope's home was the scene of a formal tea given by the local Rainbow Girls Assembly 258 last Sunday, honoring Mrs. Dorothy Ham, Grand Visitor of Texas.

In the receiving line were Mrs. Pope, Mrs. Ham, Mrs. Frank Delony, mother advisor, Delores Shelton, worthy advisor, and C. H. Parsons, chairman of the board. Sixty Rainbow Girls and guests attended the affair.

The centerpiece was of pink carnations with pink candles on each side of the floral decoration. Cake, punch and nuts were served by local Rainbow Girls.

Out-of-town guests included Sandra White, Grand Drill Leader of Texas, from San Antonio, and the Uvalde and Devine Assemblies.

Mr. and Mrs. Harold Gregory Keller

Newman-Horecka Ceremony Observed In Hondo Church

Miss Alice Marie Newman, daughter of Mrs. Virginia Newman and Alvin Newman, Hondo, became the bride of Forrest Joseph Horecka, son of Mr. and Mrs. J. M. Horecka, Dunlay, in ceremonies held at St. John's Catholic Church, Hondo, Oct. 27. Father Crookes officiated in the ceremonies.

Given in marriage by her uncle, Alfred Newman, the bride wore a blue gaberdine suit with blue accessories and pink lily of the valleys. She was attended by Miss Elizabeth Schoelman, who wore a blue gaberdine suit with black accessories and carried carnation flowers. William Newman served as best man.

The bride's mother chose a navy blue dress with black accessories and a light blue corsage while the groom's mother wore navy blue with black accessories and a light blue corsage.

A reception was held in the Parish Hall Seasonal flowers made up the decorations. A white crocheted cloth covered the serving table.

Miss Elizabeth Schoelman and Miss Beatrice Starustka served the three-tier wedding cake, which was topped with a mini-

ature bride and groom. Barbecue with all the trimmings was served.

Miss Schoelman presided at the bride's book, and registered 50 guests. Both the bride and groom are graduates of Hondo High School.

Mrs. Keller Honored At Shower

Mrs. Ronald Keller, Castroville, was honored with a pink and blue shower at the home of Mrs. Charles V. Green Wednesday evening, Mrs. E. P. Lafferty was co-hostess. Twelve guests were present.

Games were played and the prizes were awarded the honoree. Guests were Mrs. Frank Keller, Miss Patsy Keller, Miss Joyce Rihn, Mrs. E. R. Rihn, Mrs. E. M. Jungman, Mrs. Rosemary Jungman, Mrs. Milton Bendele, Mrs. Lion Droitcourt, Miss Sylvia Green and Miss Velma Wurzbach.

The centerpiece was shasta daisies and mums, arranged in a blue baby bottle. Cake and coffee were served.

Local Women Return From European Trip

Misses Lill and Nell Muennink have returned from a three-months tour of Europe. They were accompanied by their sister, Mrs. Hulda M. Wiemers, who remained in Germany, visiting with her two daughters, and their families.

Countries toured were England, Netherlands, Holland, Belgium, Germany, Switzerland, Italy, and the Isle of Capri, Monaco and France. They were met in Paris by Capt. and Mrs. Warren V. Hastings, Mrs. Wiemers' daughter and son-in-law, and after much sight-seeing the party returned to Kaiserlantern, where the Hastings reside.

While there, they visited the following places: Germany, Munich, Hannover, Frankfurt, Weisbaden, Dothan; in Bavaria, Berchtesgaden, Garmisch; and Salzburg, Austria.

One of the most joyful experiences was the arrival of Lt. and Mrs. H. E. Richardson and son, Gary, Mrs. Hastings, sister and brother-in-law, who arrived in Frankfurt to be stationed in Freising, Germany.

Mrs. Horecka Honored At Shower

Mrs. Forrest J. Horecka was honored with a miscellaneous shower Sunday, Nov. 4, at the Hondo Parish Hall.

The bride's table was covered with a white crocheted tablecloth. White and pink queens crown with fern decorated the table.

Mrs. Horecka was assisted by Miss Elizabeth Schoelman and Miss Beatrice Starustka, who in turn passed the gifts to guests.

Hostesses served ham salad sandwiches, cake squares, potato chips, mints and coffee. Miss Starustka registered the guests.

Hostesses were Mesdames Ben Schoelman, Alfred Boehle, Franklin Muennink, Joe Newman, Alfred Newman, Adolph Bayer, John Newman, Elmer Newman, Elmer Scheffeld, Gus Schneider, George Rutherford, J. D. Schweers, Glenn Haase, Fritz Moebius, and Misses Elizabeth Schoelman, Beatrice Starustka and Emma Graff.

INVITES HIS READERS

TO GET ACQUAINTED WITH TEXAS

SOME FACTS BRIEFLY STATED

At the risk of being accused of publishing "old stuff" by those who have read in the San Antonio Express what follows, your columnist thinks it worthy of a repetition here that others may have access to the facts there stated.

Texas, no doubt, still needs the rest of the United States. But the United States is finding more and more that it cannot get along without Texas.

The latest Texas brag? not at all, that's the way U S News and World Report for Nov. 23 sums up one of its top articles, "Why Texas is Thriving."

U. S. News says Texas is first nationally in: Oil, 43 percent; Cotton, 27 percent; Natural Gas, 51 percent; Beef Cattle, 12 percent; Carbon Black, 55 percent; Wool, 19 percent; Mohair, 97 percent; Helium, 59 percent; Rice, 28 percent; and Sulphur, 63 percent.

Population-wise, says the article, one-third of all Texans live in four cities—Houston, San Antonio, Dallas and Fort Worth. "San Antonio is a big city that has managed to retain its Spanish charm yet keep abreast of progress. Today it has 523,000 people, more than twice its 1940 population."

"Payrolls of the San Antonio bases alone total nearly 275 million dollars a year, for more than 80,000 military and civilian personnel."

The boom, says U S News & World Report, really began 15 years ago, during World War II. In that time these significant developments have occurred:

Population has rocketed 33 percent, from 6,425,000 to 8,563,000; Oil and Gas Production up 468 percent, from \$650 millions annually to \$3,638,000,000; Factory Output up 690 percent from \$448 million to \$3,450,000,000; Farm Income, up 221 percent from \$597 million to \$1,916,000,000; New Construction up 303 percent, from \$253 million to \$1,020,000,000; and Business Activity up 488 percent from \$1,700,000,000 to \$9,996,000,000.

There are bigger farms and fewer farmers, says the nationally famous magazine. Average size of Texas farms has doubled to about 50 acres since 1930; the number of farms is down by 40 percent.

In addition, here are a few salient facts pointed out by U. S. News:

There may not be more than 100 "real" millionaires in Texas. The King Ranch is larger than Rhode Island; in one Texas town an auto dealer estimates 60 percent of new-car buyers specify air conditioning. And in San Antonio, a builder has plans for an air conditioned garage—so air conditioned cars will not get hot at night.

Also, Texas has ten of the 35 fastest growing cities in the U.S.; one out of four of today's Texans was born outside the state; Texas ranks near the top among the states in manufacture of aircraft.

The article, one of the most comprehensive yet done on Texas' booming economy, discusses everything from cattle to petrochemicals and rice to oil, along with culture and regional characteristics of the people and the state.

In addition there is a four-page "question-and-answer" interview with Gov. Allan Shivers titled "The Growth of Texas is Unlimited."

—FD—

If disposed to question the accuracy of the statements of the progress made in Texas, as outlined above, stop and think of the changes you have seen right here in Medina County during the period of your own sojourn here, and you will be convinced.

It's that new V8 in the '57 Chevrolet. It's as quiet as a contented cat and as smooth as cream . . . and it's cat-quick in response when you call for action!

No household tabby sitting in a sunny window ever purred more softly than Chevy's new V8 engine. It's so kitten-quiet and cream-smooth that you can scarcely even tell when it's idling.

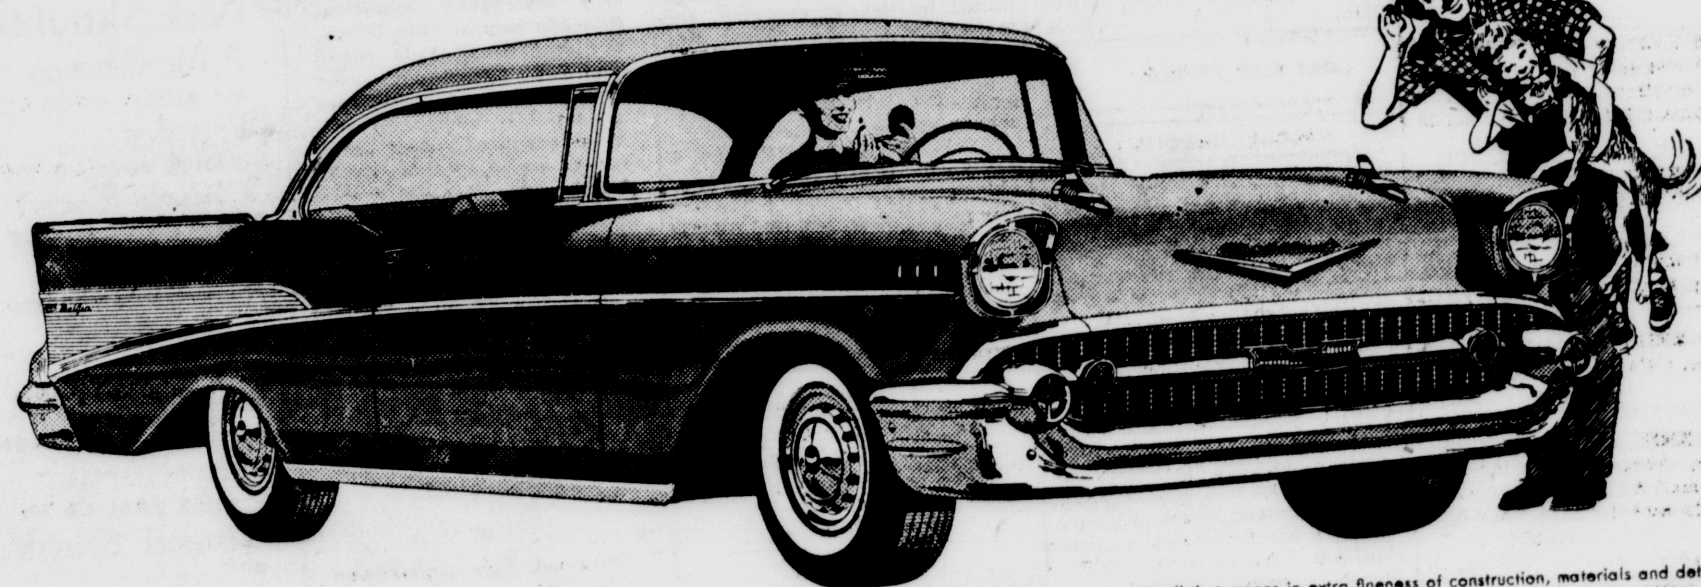

But when you nudge the accelerator, you know it's there, all right! Its right-now response keeps

you out of highway emergencies. It overpowers steep hills with such ease they seem like level landscape.

This new Chevrolet V8 puts up to 245 high-compression horsepower* under your command! It's sassy, sure—but as tame to your touch as a purring pussycat.

Come try the smoothest V8 you ever put a toe to, and all the good things that go with it. Like new Turboglide—the first and only triple-turbine automatic drive (an extra-cost option). And Chevy's own special sweet and solid way of going.

*that purr you hear is
no pussycat!*

Sweet, smooth and sassy! The Bel Air Sport Coupe. Body by Fisher, of course, with all that means in extra fineness of construction, materials and details. AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

Speaking Of Sports

By Dr. John H. Jennings

The Owls took "the cure" at intermission for the way they were "snake bit" the entire first half last Friday night. Blanco held a 13 to 0 half time lead but the Owls came back just "oozing" with fight and desire to ram through a 34 to 19 win. This gave Hondo the Bi-District Championship and left them undefeated in 11 games this year and extends their streak to 23 games without a scoreboard defeat. They meet Bastrop in Bastrop this Friday night for the Regional Crown. The winner of this one will play the Hallettsville-Bishop winner for the quarter Final Championship. The winner will then play either Gaston, Mart, Groverton or Humble in the Semi-Finals.

A Snakebit Half

Blanco took the kick off and ran up two first downs in getting 32 yards before punting over the goal line. The Owls took over on the 20 and were going great, chopping off 62 yards in 10 rushing plays before a fumble stopped them on the Blanco 16. Hartman had handed off to Windrow - a big hole opened up over center but Johnny just never had the hand off under control and as he juggled it a fumble resulted.

In the second quarter, the Owls were on the move again, going 43 yards in 6 running plays, when bamm the snake bit! Blanco's Schlameus intercepted a pass in the flat and went 65 yards for a score with 8:28 left on the clock. It was the first time this year that the Owls have been behind, and it was the first Hartman pass intercepted all year - in 88 attempts!

Blanco kicked off after the TD and a low hard kick bounced off center Jug Wiemers with Blanco recovering on the Hondo 44. The Owls held and Blanco punted. Hondo found the "snake" still present as they fumbled on their own 18. Blanco completed an 8 yard pass and got a first down by inches on a fourth down try on the 8. Two plays later they got the TD with 4:54 left in the half. The Owls were off on another fine drive when Hartman had a second pass intercepted on about the last play of the half on the Blanco 25. Blanco didn't know it, nor did the fans present, but that was the last of a near enjoyable evening for the visitors.

Last Half Desire

The Owls came on the field to start the last half as a TEAM determined to win behind by a surprising 13 to 0 count and believe me, NOBODY quit. It was EVERYBODY out for one job to win!

Everything in the way of hard luck and their own mistakes happened to the Owls in the first half, everything except injuries that is. The only thing hurt was their feelings.

Owls Take Lead

The Owls took the kick-off and Neuman returned to the 33. Hartman got 7 and then started the hand writing on the wall for Blanco. Butch Woolls took a pitch out to the right, got a couple of good blocks, wiggled his way, reversed in the secondary, and headed for a 60 yard TD with only 41 seconds off the clock. Butch looked mighty good on his trip.

Blanco could not move the ball and here is what wrecked them as Safety Billy Neuman took a punt on his 25. His blockers actually formed a blue picket fence and executed some of the most beautiful blocking anyone has ever seen. Billy used it well and fast and went for the TD that put the Owls in front 14 to 13 after Windrow's conversion. This came with only 2:11 run off the clock. A number of good blocks were thrown but a key block that got Neuman loose was a real dandy by Ray Highsmith. It was truly a team TD.

Blanco scored next intercepted their third pass of the night and returned it from the Owl 35 to the 5. Windrow then fell on a Blanco fumble on the 5, but the Owls returned the fumble on the next play as Woolls hit the line. Blanco recovered on the 10 and went over in four plays to go ahead 19 to 14 with 2:35 left in the third period. Charles Tiley broke through center to block the extra point try.

Bobby Ward, who played end in place of the injured Clyde Bohmalk, returned the kick-off 5 yards to the 40. Hartman carried for 2 and 3 yards before shift Butch Woolls again came through with a pay off run - a 55 yarder for a TD that put the Owls in front to stay, this with 1:26 still left in the third period.

Fourth Quarter TDs

Big Alvin Hartman made up for his pass that was intercepted for Blanco's initial score by rushing from his defensive end position to block a punt. He then picked up the ball and ran 37 yards for the fourth Owl score, with only 54 seconds gone in the final period.

The last Owl score was a 69 yard drive on 10 runs and 1 of 2 passes good for 15 yards. Hartman carried 4 times for 41 yards

and Woolls 3 times for 23. A key play was a fourth and 7 situation on the 13. Butch used his blockers well and carried a determined heart 10 yards to the 3 to set the stage for Windrow's TD.

Windrow again came through with his conversions as he got 4 of 5.

Scoring Summary

1. Blanco's Schlameus - 55 yard pass interception.
2. Blanco's Surber - 6 yards (Owls had fumbled on the 18).
3. Woolls - 60 yard run.
4. Neuman - 75 yard punt return.
5. Blanco's Surber - 1 yard (Owls had fumbled on the 10).
6. Woolls - 55 yard run.
7. Hartman - blocked a punt and ran 37 yards.
8. Windrow - 3 yard blast to climax a 69 yard drive.
9. Windrow 4 of 5 conversions.

Some Comments

The Owls made too many first half mistakes, with tougher competition this week, and we hope each week, mistakes just cannot be made. This is CHAMPIONSHIP football NOW - each team is good. The team with the fewest mistakes will win, the game will have to be played hard for 48 minutes, and not for just 36 or 24 - it just can't be won that way any more.

To go the limit of four more games, the Owls will have to play like they did against Uvalde and Pearsall and the last half of the Blanco game. The first Friday they do not will be the end of the season. But let's not get too pessimistic for ANY Owl opponent will have to be hot too to win.

Like Monte Williams two years ago, and Pete Angermiller last year, Butch Woolls is showing the same week by week obvious improvement in his running technique.

The Owls comeback was similar to the Hebronville game last year, and we CAN be thankful injuries did not become our misfortune this time too. Frankly, I am relieved Hartman finally had two or three passes intercepted. It only proved him human. If his perfect record of no interceptions for the year had put him under any strain, or caused him to press then he can relax now and continue to throw with his natural passing ability.

Blanco did a fine job of holding up our ends on passes, but the Owl ground game ate up a season high of 412 (281 the last half) with Woolls getting over half of them with a whopping 231 yards.

The entire town (FANS) can be to blame in part for last Friday's scare. The feeling was too strong that the game was a push-over, and that kind of an attitude has to rub off on the boys. However, we will not be bothered with such an attitude this week. We know they are ALL tough now.

The Owl line did a fine job, allowing only 132 rushing yards with only 32 last half yards as the coaches changed the defensive set up. And, more than ever, how the line plays this week will determine the Owl success. Guards William Reus and Joe Torres were under a lot of plays as a lot of traffic came their way. Gary Schweers came in for a lot of play too, as did the other tackle, Jug Wiemers. Linebacker Charles Tiley and Butch Woolls had a lot of work to plug up the holes, while ends Windrow and Hartman did not allow the wide plays to go. HB's Ray Highsmith and Billy Potsavich mixed it up too.

About Bastrop

The Bastrop Bears have themselves a fine season record of 10-1, scoring 311 points to 78 for opponents. Their one loss was to a AA Bi-District Champion, Giddings, 20 to 12 in the fifth game of the season. Hondo has 375 points to 89 for opponents. The Owls have among their victims a AAA District Champion and two AA District Champions. Devine is a Bi-District Champion. Hondo opened the season with a 25-12 win over Nixon, while Bastrop opened with a 48 to 6

win over Flatonia, a team who beat Nixon.

Bastrop has a fast backfield, and claim two very fine backs - No. 46, RH Charles Perkins, 185 lbs., the Coach's son, who runs hard and is a standout on defense; No. 38, LH Bobby Dean Jones, 155 lbs., is a fine and fast back. He has been bothered with an injury but may be ready to run by Friday.

The Bears run from a double wing, and feature a lot of reverses. The consensus is that the Owls line will have to play at its hustling and heads up best if we are to advance to the next play-off bracket. Everyone who can fit around or on a ball carrier is going to have to be in on each play.

Hondo has played Bastrop only one time in the past, taking a 6 to 0 win in 1936. The Bastrop coach, Pap Perkins, is not new to Hondo footballers. His Victoria team lost to Hondo in 1937 by 7 to 6 in Bi-District play on Fred Bader's conversion, then in 1939 Victoria won a Bi-District game 7 to 6 as Clint Hartung's extra point was wide.

The Bastrop line average is 171 backfield 160, team average is 167. Hondo's average is a line at 175, backfield 175, team 175 lbs.

Suggested Bastrop Route

The trip is about 130 miles - take Highway 81 from San Antonio to San Marcos, then about 1 mile out of San Marcos take Highway 21 (via Gary AFB) which will hit the Austin Highway about 6 miles out of Bastrop.

According to J. G. Barry, Bastrop has a very good field and will seat 4,800 people, as 3,000 rodeo type bleachers are being moved in for the game. Over 500 tickets went on sale in Hondo Tuesday and they were going in a hurry as Hondo will turn out in mass formation.

Devine Tackles Deer Park

The Devine Warhorses, who whipped the Floresville Tigers, 34-20, Friday night, played the defending champion Deer Park in the Class AA football regional, Thursday night at Devine.

Donald Ridgeway and George Black paced the Warhorses against Floresville. Ridgeway scoring two touchdowns and Black three. Edward Butler accounted for the three Floresville touchdowns.

Devine jumped into a 13-0 lead in the first quarter on a 25-yard run by Ridgeway, a 1-yard plunge by Black and extra point by Bradford Bush.

Butler, however, returned the kickoff 90 yards for a touchdown and moments later brought back an intercepted pass 20 yards for another Tiger touchdown. T. Koch's conversion tied the count 13-13 at the quarter's end.

A 30-yard scoring pass from C. D. Shaw to Black and a 1-yard touchdown plunge by Ridgeway, along with Bush's second conversion, shoved Devine into a 26-13 margin in the second quarter. Again Butler returned the kickoff for a touchdown, this time going 80 yards. Koch again converted and Devine held a 26-20 lead at the intermission.

Butler was trapped in his end zone by Bill Brown and Lee Buentello in the third period and Black's 48-yard scamper completed the scoring.

Services Held For Mrs. Neuman

Funeral services were held at 3 p. m. Nov. 28, 1956 for Mrs. Albert Neuman, 74, Mrs. Neuman died Nov. 26.

Born Sept. 19, 1882 as Emma Wantz, she is survived by her husband and two daughters, Mrs. Roy F. Phiel, Hondo, and Mrs. A. M. Foster, San Antonio. One son, Elmer V. Neuman, preceded her in death in 1942.

Services were held at the Harger Funeral Home with Rev. Harold Goodenough officiating. Interment was in Oakwood Cemetery, Hondo.

Bastrop Wins Over East Bernard 14-6

Houston Chronicle

Bastrop earned the right to face Hondo in the second round of the Class A playoffs by dumping a talented East Bernard grid machine, 14-6, here Friday night before 4000 fans.

East Bernard outrushed the winners, 293-209, and counted more first downs, 20-16, than did Bastrop, but the opportunists from Bastrop had it when it counted.

Credit 170-pound Charlie Perkins, who scored all of Bastrop's points, with the difference.

He capped an 80-yard drive by ripping through the East Bernard line for the last 24 yards for Bastrop's first score with 3:43 left in the opening period. He then booted the first of his two extra points.

Narrow Margin

East Bernard never caught up although they narrowed the margin 7-6, before intermission.

Mark Scotka, 170-pound East Bernard senior, given some assistance from backs Willie Hanzelka and Charles Schroeder, twisted and sidestepped for big gains in East Bernard's only successful drive.

A poor Bastrop punt gave the Brahmas the ball on their own 49.

Scotka churned his way to the Bastrop 40, Hanzelka ran 20 yards to the 11-yard line as the time seemed to be running out in the first half. Scotka plowed to the 2, Schroeder got another yard and then Scotka plunged in to the end zone to leave the score at 7-6 at intermission.

Threaten

Although the Brahmas threatened in the closing minutes, that Scotka-led scoring drive was

St. Ann's Keeps Same Officers

Officers of Castroville St. Ann's Society were reelected by acclamation during the November meeting last week. Only one officer, reporter, had to be named. Mrs. Bernard Biediger was elected to take the place of Mrs. Raymond Ehlinger, who resigned.

Attendance prize was won by Mrs. Joe Hoog, who in turn donated it to the Society. Cookies and coffee were served. Hostesses for December are Mesdames Louis Schott, Louise Gerloff, Harry Hans, August Schott, Hugo Bourquin, Clara Tondre, Henry Ahr, Emil Halbedier, Frank Tschirhart, Charles W. Suehs, Albert Schneider Jr., Charles L. Suehs, Melanie Naegelin, Mary Bourquin, Oran Mann, Ferdinand Tschirhart, Joe Grant, Howard Tschirhart and Clarence Holzhaus.

The December meeting has been set for the sixth. A bingo party will be held following the meeting.

Wives Club Holds Dinner At HAB Club

The Hondo Air Base Wives Club started off the holiday season with a buffet dinner and dance last Saturday night. Julie Kenny, special project chairman of the club, served as hostess for the evening. Co-hostesses were Sally Dixon, Betty Sawyer, Ann Ablett and Peggy Brennan. The buffet table was decorated with a float of chautauque mums, sprayed with silver glitter, and pulled by two silver peacocks connected to the float with long chautauque ribbon streamers.

More than 200 persons were present for the occasion. Turkey, roast beef, ham, salads and all the trimmings were served. Guests from Hondo included Mr. and Mrs. Hugh Meyer, Mr. and Mrs. Jean Ulbrich, Mr. and Mrs. Fred Bader and Mr. and Mrs. Riggs Shepperd.

Music for the dance was furnished by the Melotones.

D'Hanis FFA Turkey Shoot

The D'Hanis FFA Chapter held its annual turkey raffle Nov. 20. Names were drawn by chapter Sweetheart Isabell Duncan.

Amos Finger of D'Hanis, won the dressed turkey gobbler, and Walter Hass of Hondo, won the turkey hen. Raffle tickets were sold by FFA boys.

Harold Lutz tied the group with 243 tickets and Louis Lutz came in second with 157. Prizes were awarded by the chapter to both boys for their accomplishment.

Owls Take Blanco In 34-19 Thriller

the biggest thrill for East Bernard fans. Even if East Bernard had scored in those waning minutes, those extra points by Bastrop couldn't be overcome.

A fourth-down gamble by East Bernard that failed on their own 47 was the beginning of Bastrop's clinching touchdown in the fourth quarter.

Perkins and Bobby Dean Jones carried the load in this one, with the rugged Perkins finally going in standing up from two yards out with 1:32 left in the game.

Both lines turned in fine performances, notably Bastrop's Bill Townsend and Buddy Watts, both of whom recovered fumbles.

Owls Take Blanco In 34-19 Thriller

The Hondo Owls slid past the Blanco Panthers 34-19 Friday night, to put them one game closer to the state championship. The Owls take on the Bears from Bastrop tonight (Friday), in their second bid for the crown.

Hondo put the ball into play with the opening kickoff which went out-of-bounds the first try and was again brought back for an off-sides penalty against Blanco on the second try. The Panthers returned to their own 36 before a host of Owl tacklers swarmed in.

Two first downs in a row and the ball was located on the Owl 35, first and ten to go. Four downs later, Hondo had the ball on their own 20 following a fourth down punt.

The Owls drove to the Blanco 16 yard line before losing the ball on a fumble. It was the longest Owl drive during the first half, going for 64 yards and four first downs.

The Panthers picked up steam, pushing for two touchdowns and a half time lead of 13-0 during the second period. The first TD came on a pass interception, Hondo's first of the season. An Alvin Hartman third down pass fell into the waiting arms of Blanco's Robert Schlameus, who churned for 60 yards and six points. Jerry Lindeman converted to make the score 7-0 with 8:28 left in the second quarter.

The Owls fumbled the kickoff and the Panthers took over on the Owl 47. Four downs later, Blanco was forced to punt but again was in possession on a first down fumble at the Owl 17 yard line. Four plays later, they had a first down on the 8 and on first down try, Herbert Surber surged over center for the remaining 8 yards and another six pointer. Try for point after failed and the Panthers led 13-0 with 4:54 left in the half.

Another pass interception, the second of the night and the year, came after Hondo had received the kickoff and raced for two straight first downs. But six plays later, the half ended and the Owls were behind for the first time this season.

Hitting back hard in the third period, Hondo reached pay dirt following the opening kickoff. Alvin Hartman carried to the 40 before handing off to Butch Woolls for a 40 yard TD scamper around left end with 11:19 left in the third period. Johnny Windrow converted and the Panthers held a 13-7 lead.

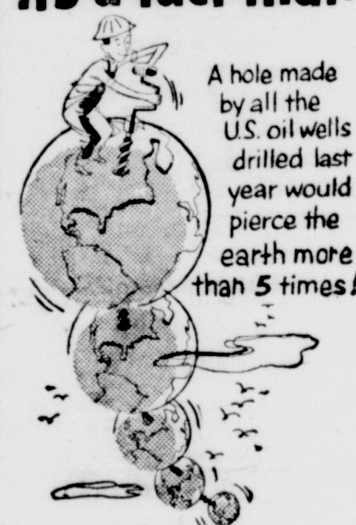

Two minutes and ten seconds later, the Owls had another six points in the bag when Billy Neuman made a sensational 75 yard punt return, scoring Hondo's second touchdown and sending the crowd into an uproar. Windrow again converted and the Owls led 14-13 with 9:49 remaining the third quarter.

With C o a c h Max Carver breathing easier now, the Owls fought back only to have another pass intercepted. Blanco returned the favor by fumbling on the Owl 5 yard line. But the Owls decided to give them another chance and fumbled on the 10 yard line. Four plays later, Surber smashed over his left side for three yards and six more points to put the Panthers out front 19-14. The point after was blocked by hard rushing Charles Tiley.

Hondo returned the kickoff to the 40 before Hartman carried to the 43 and then the 45. On the third down try, Woolls circled left end for 44 yards and his second touchdown of the evening, with 1:26 left in the third quarter. Windrow again converted and the score stood at 21-19, Hondo.

Hondo's kickoff located the ball on the Panther 38. After picking up one first down, Blanco was forced to punt. Hartman rushed through to block the point, picked it up and ran 35 yards for the fourth Owl touchdown with

Is This Your Approach To A Nest Egg?

for the person who's paycheck never quite seems to stretch, that's one approach to a nest egg . . . but not very practical.

PAY YOURSELF FIRST! You'd be surprised how easy it is, and when you pay yourself first you never miss it. It works like a payroll deduction, you can't spend what you don't have.

So give yourself a break with a future. Regular saving is just good personal business. It makes you independent.
